Colophon

The Huttlestonian 2009 covers events at Fairhaven High School from Spring 2008 to Spring 2009. This is the second year the yearbook is printed in all color. There were 180 copies in our press run. Trim size is 8.5 x 11.

The custom cover is full color litho series, matte lamination and clear silkscreen over the six photos, with mission graining. Text pages are 100# premium gloss text, #1 grade. Font used is ZapfHumanist 601 BT Roman for Headlines and Nueva Std Regular for body text. The yearbook staff, administration, and senior superlative pages used a custom template. The Senior Section used headsize Z, a custom template with three headshots along with their senior profile. All other pages featured a custom template containing two vertical and one horizontal royal blue bars. Lifetouch templates were placed within. Colors used were Royal Blue, White, or Black. The yearbook staff used Lifetouch Online Yearbooks 2009 to design, layout, and produce every page of the yearbook. The book was printed by Lifetouch Publishing, and our representative was Katherine Curley.

Senior Portraits, Underclassmen Portraits, School Activities, Clubs, Faculty, and Sports Team Photos were photographed by Maré Studios & Galleries, 98 Front Street, New Bedford, Massachusetts. Some pictures were taken by Nicholas Torres and the Interact Club.

Yearbook Staff

Editor Nicholas Torres receives help on layout design at the 2008 Lifetouch Yearbook Workshop in Orlando, Florida. Torres attended from July 23-25.

Dear Students,

As our high school years come to a close, I must say I am honored to be a part of this distinguished class. It was also my privilege to serve as your yearbook editor. Though it was a tough and daunting job, I believe it to be worthwhile.

This past summer I had the opportunity to attend a yearbook workshop provided by Lifetouch in Orlando. This workshop provided me with a great chance to learn more about creating a yearbook. I hope you will be able to take it with you wherever your path may lead.

With this yearbook, you will always remember our four years at FHS. The staff and I tried hard to capture the memories of our time here. We hope you enjoy your Class of 2009 yearbook. Best of luck in the future.

Dear Class of 2009,

Since August, I have gotten to know the Class of 2009. Although I have not been with you your entire high school career, I am pleased to have had the chance to get to know you this very special year! It has been fun to watch you all enjoy making memories your senior year. I have been thrilled to watch you celebrate the proud history and tradition that was laid before you. You have done it well.

I would challenge you to make the most of what this incredible foundation can bring you and to flourish in life everyday. Make us proud. Although you will all likely go in very different directions, I am certain that the strong beginnings you had here in Fairhaven will ground you enough to stay connected.

Remember, you will always be a Fairhaven High School graduate. Wear that honor with pride, for you have just joined the ranks of many wonderful men and women who have come before you. You now also have the ability to become a role model to all of those waiting to follow in your footsteps. I am sure I speak for the entire Fairhaven High School family when I say it has been an honor to serve you. Enjoy whatever life brings!

Sincerely,
Tara Quirk-Koher

To the Class of 2009,

As the time draws near to say goodbye to the past, it's time to greet the future. As a class, we've made a lasting impression on our school and community. Throughout our many years together, we have made lasting friendships and created unforgettable memories that will stay with us forever.

Our memories and experiences have shaped the people we have become today. Take it, and run with it. Share what you have learned and keep learning. As enjoyable as these past four years have been, it is now time to move on.

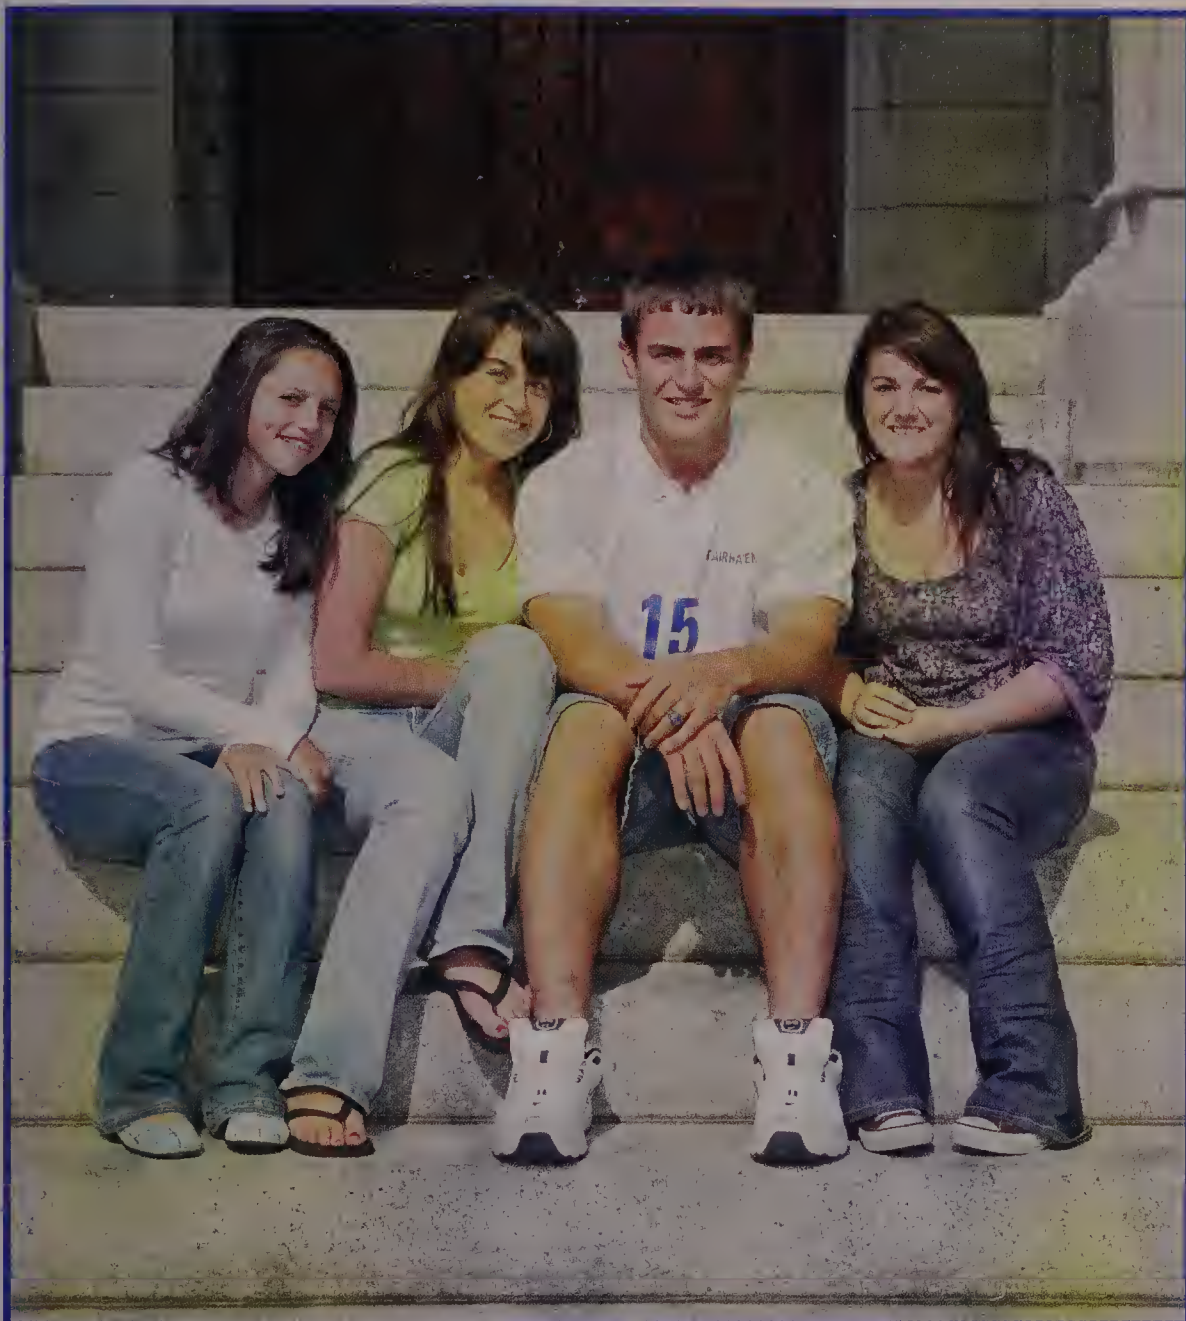

Noah Porter said, "Rely on your own strength of body and soul. Take for your star self-reliance, faith, honesty, and industry. Don't take too much advice - Keep at the helm and steer your own ship, and remember that the great art of commanding is to take a fair share of work. Fire above the mark you intend to hit. Energy, invincible determination with the right motive, are the levers that move the world."

A quote that I like to live by is my last piece of advice, Confucious said, "Our greatest glory is not in never falling, but in rising every time we fall." Thank you and good luck in the future.

To the Class of 2010,

We are already entering our senior year at Fairhaven High! Three years have flown by, but they have been essential to our development into mature young adults. It seems impossible that it was just a few years ago that we were fresh out of middle school, tripping going up the stairs and getting lost in hallways. The leaps and bounds we've made since those days are astounding. Keep up the great work!

Dear Class of 2011,

Congratulations on advancing from freshmen to sophomores. We now are through with half of our high school career. Through the years we have getting many memories, and we still have the hope of accumulating many more. As we go through our junior and senior years, let us hold our heads high knowing how much we have done, and how much we still have to do.

Foreign Exchange Students

Julia Arcudia from Mexico

By Chelsea Burke

Julia Arcudia, an exchange student from Merida, Mexico, loves everything about FHS. She is in the French and Drama Club, and her favorite subject is Anatomy.

"I like them all," said Arcudia of her teachers. "But I must say that I love Mr. Williams' teaching methods."

Although it was hard at the beginning for Arcudia to understand what everyone was saying, time has made it easier for her.

When it comes to the school itself, Arcudia thinks that building is "awesome".

"It is like a castle, and the people are really nice," she said.

Arcudia's favorite thing about the U.S.A. is the changing seasons.

"I love when the leaves fall down the trees and the snow," said Arcudia.

For her birthday this year, Arcudia's host family had a surprise party. If she had been back in Mexico, she might have done three things: had a reunion with her family and friends at her house, gone out to eat at a restaurant, or her friends would have held a surprise party for her.

While Americans celebrate Halloween, Mexicans celebrate the Day of the Dead. They make *altares*, which are tables with typical Mexican foods, clothes, and toys. Students have a half-day of school, and they are able to honor the souls of people who died.

Mexicans also celebrate Christmas and many of the other holidays celebrated in the U.S.

Julia Arcudia is enjoying her time in America. She enjoys all the experiences of the United States, and she is hoping to visit again.

Nichapha Lomklang from Thailand

By Sean O'Neale

Nichapha Lomklang
from Thailand

It was the beginning of the 2008 summer vacation, and everyone was sad that Onnalin (Ness) Lomklang was leaving America-until they heard that her sister, Nichapha (Neen) Lomklang, would be arriving just in time for the 2008-2009 school year.

Senior Katie Perry and her family were excited. "After the first year of having a foreign exchange student, my family absolutely loved it," said Perry about hosting Ness. "When we heard Ness' sister wanted to come to America too, we were thrilled."

The Perry family wanted to choose a student who had a decent amount of years in English and someone who was of a very different culture. "Ness and Neen were very much both of these," she said.

"It's not easy," Neen said about learning subjects in her second language. Here in America, she is taking band, biology, algebra, history, English, yoga, and chemistry.

Neen likes all of the students and staff here, and she adores the cookies and pizza at lunch. She has made some new friends, especially juniors Amelia Katan and Chelsea Burke.

Neen was a member of the field hockey and tennis teams and was in in the Art and Environmental Clubs. She also enjoyed watching American sports like football.

Nichapha must wear a uniform at an all-girls school in Thailand and there are no school-sponsored sports. The cultures are different too.

"We have a small Christmas, no snow, and the food is spicy," Neen said about her culture.

"Once you understand each others' customs, the rest just gets better almost immediately," said Perry. "You end up loving them like a best friend, maybe even like a true sister."

She loves a lot about America, but Neen's favorite is chocolate. She also likes to shop, bike ride and roller blade. She enjoys watching cartoons when she can, specifically Disney Channel, *Spongebob*, and *The Suite Life of Zach and Cody*.

"I love being in America, and everything about it," Neen said. "I hope to come back and visit again."

English

In the 2008-09 school year the English teachers of FHS continued their work of preparing students to become critical thinkers, effective communicators, and lifelong learners. Ms. Leiderman and Ms. Higgins became part of the Freshman Collaborative team. Ms. Bettencourt helped sophomores prepare for the MCAS test through teaching the English Enrichment elective. Ms. Cordeiro delved into the world of cinema with student film lovers in the new elective Great Films. Ms. Harvey prepared Advanced Placement students for their exam with college level analysis of literature and writing. English teachers were busy outside the classroom with a variety of extracurricular activities for FHS students. Ms. Whinnem coached the girl's lacrosse team, Ms. Rhodes led the Book Club, Ms. Leiderman facilitated creative writing in the Poetry Club, Ms. Higgins became co-advisor to the Freshman Class and led the Dance Club, and Ms. Brigger was co-advisor to the Senior Class.

Math

The Math Department added an Accounting course, taught by Ms. Lisa Sylvia. Mr. Phil Harding and Mr. Scott Francis continue to lead the Math Team, which continues to do well. Mrs. Shannon Saumweber came back in October after leaving in May of 2008 for maternity leave.

Science

Mrs. Sandra Nunes joined the faculty. Science teachers are also participating in the Freshman Collaborative with Physical Science and Marine Bio. Three new courses were added: AP Physics, Weather and Climate, and Computer Applications. Students are also making progress in the science MCAS.

History

Starting with Mr. Kraig Perry's retirement in 2008, the department has seen some changes. Mrs. Jardin is the new Academic Coordinator. One new face was added. Ms. Kim Souza joined the staff as Blue Team World History teacher in the Freshman Collaborative. New and interesting electives were added giving students a variety of choices when fulfilling their credit requirements. Mr. Burlinson's class explores Heroes, Villains and Misfits through compelling non fiction works. Mr. Hevey time-travels our collective social experience in Pop Culture, and film buffs learn about American cinema with Mr. Richardson, our resident film expert. Additionally, Mr. Hevey, Mr. Davis, Ms. Mandeville, and Mr. Richardson are all involved in a master's program in History through either Providence College or UMass Dartmouth. The staff's big projects, coordinating term common assessments and preparing for upcoming History MCAS, have kept them focused on the future, as it is their goal to prepare students not only for tests, but for the challenges facing 21st century Americans. Their continued mission is ensuring FHS graduates are equipped to become active, involved and thinking citizens with a global perspective.

Unified Arts

The Unified Arts Department has been very busy this year. They held a K-12 Art Show at the Town Hall for the first time in late February. Other activities included the Pops Concert (A Journey Through Time), the musical *Annie*, a field trip for a band/jazz band competition in Washington D.C., various music festivals like District and SEMSBA, Winter and Spring Concerts, Veteran's Day and Memorial Day Parades, Band Mania, Spring Explosion and the Riverside Cemetery remembrances. The media program held its first six hour marathon in January and ended the year with the annual Henry Awards. Unified Arts has two new staff members at the high school: Miss Christine Menard and Mr. Jeff Horwat.

Wellness

Our courses offer students the opportunity to create healthy routines to ensure optimal health for a lifetime. Physical Education and Health Education courses are available to all grades. In the freshman year, all students take Core Health and Core P.E. In grades 10, 11 and 12, elective courses are available in both areas of Health and P.E. to all students. This year, all Core Health students are working from a new curriculum: *Seven Habits of Highly Effective Teens*. This program provides a step-by-step guide to help teens improve self-image, build friendships, resist peer pressure, achieve their goals, get along with their parents and much more. During this course the students will have the opportunity to meet school administrators and guidance counselors when they come in as guest teachers throughout the program.

Guidance

The department continued to have evening guidance hours for parents every third Thursday of the month from 5-8 p.m. Two desktop computers were added to the Guidance suite for students to use for college search. They started the Freshman Collaborative, a program that groups all of the freshmen in a cohort to help them ultimately be more successful throughout high school. They developed a Freshman Mentor program where approximately 35 at-risk freshmen were assigned to staff mentors. They developed the "7 Habits of Highly Effective Teens Program" which invites 7 staff members into the freshman health classes to speak on 7 habits to help them to become better in all aspects. They enrolled in the My Road Program from the College Board which helps students begin to look at possible career interests and choices at the freshman level and then helps juniors search for possible college choices and career paths. They instituted a new program called GAP (Guidance Advisory Period), which helps at risk upperclassmen with academic support. They developed a bereavement group that meets on Thursday evenings to help students who have lost a parent cope with their loss. Finally, they held their 1st Annual Spring College Fair in April.

Clubs and Activities

P. 86

Cable Communications Club

The club handles a variety of duties. One is the "Good Morning FHS" TV morning show daily, the only "live" show in the area which is broadcast throughout the school and to Comcast viewers in Town. Anchor tryouts are held at the beginning of each semester. Students work before school to report the latest club announcements along with a wrap-up of the previous night's sports activities. After school, The BD-TV Board of Directors meet weekly to decide on field trips, fundraisers, scholarships and general programming guidelines. Along with making birthday and special event boards for a fee, and creating the fifth grade special graduation DVDs and bulletin boards, the students are in charge of hosting the Miss Blue Devil. The club also held its first six-hour "live" telethon on Jan. 22.

The Spray Newspaper

Combatting tough economic times in getting advertising to print the newspaper, The Spray staff worked out an agreement with the Fairhaven Advocate newspaper to print a special section with the Spray banner on a weekly basis, along with publishing online.

The Huttlestonian

Led by Nicholas Torres, every page of the yearbook is in color for the second year. The Class of 2009 is a smaller class than most, but the staff worked hard fundraising events such as the 3rd annual Haunted House (Wednesday, October 29th and Thursday, October 30th from 6-8:30 p.m.) and the 3rd annual Little Miss Blue Devil (October 3) to make sure that the Class of 2009 had the best yearbook possible.

P. 87

Student Council

Student Council provides two representatives to the Southeastern Regional Student Advisory Council, represented this year by Nicholas Torres and Domenic Corey, two to the School Advisory Council, Domenic Corey and Rose Oliva, one to the School Committee, Rose Oliva, and two to Student Government Day at the state house, Rose Oliva and Taylor Motta.

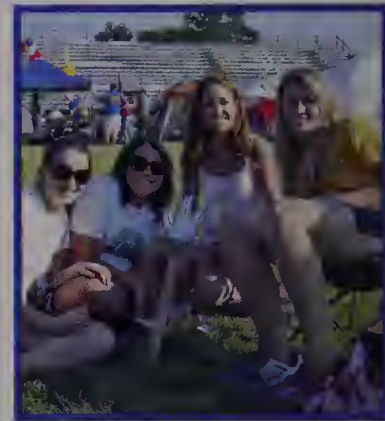

Band

The FHS jazz band rehearses at night for two hours per week. The jazz band performs at four concerts during the school year as well as competes at the national level. This year the jazz band, and band will be competing at the Festivals of Music in Washington, D.C. on April 16-19, 2009.

P. 88

Drama Club

In November, the drama club went on a field trip to North Shore Music Theatre in Beverly to see a performance of *42nd Street*. In December, they participated in the Town of Fairhaven's Holiday Celebration Weekend at Town Hall. The club's 2009 musical selection was "Annie," with East Fairhaven's Samantha Couto as the lead. Nine girls from elementary schools in Fairhaven/Acushnet and two girls from Hastings Middle School played the orphans. Students rehearsed three nights a week, and set construction took place two nights a week. The musical was held March 19-22.

Art Club

Art Club offers students an outlet to create and talk about art, along with working together to produce items for various fundraising events. They have raised money for The Richard James MacCord Jr. Art Scholarship as well as a year-end field trip. They have been designing a mural to be painted on the Senior Cafeteria wall.

Honor Society

The National Honor Society is the pinnacle of achievement at FHS. Open to sophomores, juniors, and seniors, membership is determined on grades, leadership, service, and character. Members held a Car Wash in October to raise money for local charities. They have collected aluminum can tabs for the Shiner's Children's Hospital and collected Shaw's receipts for the Diabetes Association, Inc.

Wellness Club

The Wellness Club has sponsored the Red Ribbon Campaign to promote anti-substance abuse. They are also doing The 84.org, a program sponsored by the Massachusetts Tobacco Control Program to help stop smoking. Along with running wellness bulletins on "Good Morning FHS" they also help with the After-Prom.

89

International Club

The International Club spent this year raising money for needy families for Holiday Hope. They sponsored two foreign exchange students, Nichapha Lomklang from Thailand and Julia Arcudia from Mexico.

French & Spanish Clubs

The French & Spanish clubs went to New York for a cultural day and visited the United Nations, the Metropolitan Museum of Art, and 5th Avenue. Both sponsor the French vs. Spanish volleyball game during Foreign Language Week. Over the course of the year, the clubs have film festivals showing foreign movies.

P. 90

Peer Mentors

The Peer Mentors organize and help with the incoming freshmen and help them adjust into the high school experience.

Book Club

The Book Club has read *The Uglies*, by Scott Westerfield, *My Sister's Keeper* by Jodi Picoult, *Night* by Elie Wiesel, and *Eat, Pray, Love* by Elizabeth Gilbert.

Poetry Club

Poetry Club meets every week to share poems they've written and to brainstorm new pieces.

P. 91

Dance Club

The Dance Club has been working on a piece choreographed by Advisor Tracy Higgins and the students since October. Their final dance was aired on BD-TV. They are also working toward performing this piece during other FHS events like Mr. Fairhaven. Their end goal is to work on at least eight separate pieces to perform in a recital at the end of the year.

Environmental Club

The Environmental Club spent the year collecting the recycling bins from classrooms around the school, promoting environmental sustainability.

Diversity Club

The Diversity Club promotes "Unity in the Community." They promoted a day to recognize bullying and harassment. The day is called the National Day of Silence.

P. 92

Interact Club

The Interact Club sponsored the Wear Your Cap to School Day, where a student pays \$1 to wear their hat during school. The money goes to children who have lost their hair due to cancer. They also collected over 180 pieces of clothing for the Winter Warmth Drive in October and collected money for the Neediest Family Fund. In spring, the club did the Walk For Hunger, a 20-mile walk in Boston to end hunger in Massachusetts. They also participated in the Relay for Life, a 24-hour relay to fight cancer.

Robotics Club

Last year, the Robotics Club participated at the VEX Robotics Competition in Los Angeles. After winning a This year they were invited back to the competition in Dallas.

Chess Team

In 2008, the chess team won the league championship for the first time and with four of five starting players returning, they hope to repeat in 2009. On 8th grade parent's night, they had a booth where several members of the team were playing a form of team chess called *Bughouse*. It's a fast paced form of 5-minute chess, but with a partner.

P. 93

Math Team

The Math Team is currently ranked in the top eight schools in the league; qualifying them for tournament competition. In 2008, the team narrowly missed going to the tournament by one place.

Performed on December 3rd, 2008, the 5th annual Miss Blue Devil Pageant was 90's in '09. The show was put on by BDTV. The girls shot a video for the opening of various 90's pop culture skits. The top five finalists were Tessa Fleurent, Monica Gonsalves, Andrea Manzone, Kacie Senna, and Kelly Walton. Senna placed third with her sword demonstration for her talent. Gonsalves placed second with dance routine and Manzone took the crown with Lip-Synching of "Old Time Rock & Roll" by Bob Seger.

Prom 2008

Prom 2008 was celebrated at The Great Hall in Fall River. Before prom started, juniors and seniors gathered at the high school where prom king, queen, prince, and princess were chosen. Despite the rain, spirits were high. Through the night, people dined and danced. Then came the After Prom party. Lasting until 5:30 a.m., it provided a fun, safe place for students to party. The western-themed event had a mechanical bull, midway games, and a root beer salon. Many thanks to the After Prom Committee for raising \$10,000 for the fantastic party.

Class of 2009 President Monica Gonsalves leads her class down through the gym while performing "The Walk." Class Vice President Domenic Corey follows behind.

It is a time honored tradition at Fairhaven High School, the day the junior class becomes seniors. On May 30, 2008, we descended the stairs and proceeded from the Knipe Auditorium to the Gym. At the Knipe, we gathered according to height where we were given the traditional yellow flower. Wearing white and tan, we marched into the Gym, for "The Walk." As we sat down, the graduating class entered after us. Then the festivities began. Awards were given and music was played. It is the traditional handing down of seniority, a tradition not done in any other school, a tradition students of Fairhaven High must treasure.

Fall Sports

Football- Showing marked improvement, the Fairhaven football team finished the season 5-6 overall and 5-3 in the South Coast Conference. Senior quarterback Brady Murphy led the team in rushing, while senior split-end Marcus Barros led the team in receiving. Running backs senior Bryan Sweeney and juniors Myles Perron-Sovik, Eric Stroud, and Taylor Motta rounded out the backfield. Senior linemen Luke Racine, Sean Nunes, and Nate Evans had a strong year up front. Senior middle linebacker Ricky Botelho led the Blue Devils' defense. Brady Murphy played well enough to make the Standard Times Second Team.

Boys Soccer- Coming in as underdogs as the 22nd of 23 teams, boys soccer had success in the tournament action. The Devils, defeated 3 teams whose seeding didn't total Fairhaven's 22. They proved they shouldn't be taken lightly, winning 3 games in a row. They defeated #2 Chatham, 1-0, on a goal from Nick Pinard. Then, they defeated 6th-seeded South Shore Christian Academy 4-2. Chace Jabotte scored twice and James Rapoza and Andrew DaCunha each scored 1. Their last post season victory was again Westport on Andrew DaCunha's lone goal. Joe Pinto served as goalie and had a great season. In recognition of his hard work, he was a Standard Times Super Team member. Rory Burke and Kyle Fertig followed his lead making the Second Team.

Girls Soccer- Although the girls' soccer team couldn't make the playoffs, they did knock off a few teams in the process. Their problem for the season was they couldn't finish the ball in order to get the wins. Instead, the Devils tied many games. Leading the defense and scoring were senior Melissa Pereira and junior Taylor Coelho. The Devils got another strong season in net from senior Renee DeBarros and at the sweeper position from junior Allysha Sylva. Sylva was awarded a Standard Times Super Team selection, while Melissa Pereira made Second Team.

Field Hockey- The field hockey team had an outstanding season making it to the post season action for the first time in over a decade. Seniors Monica Gonsalves, Kristy MacMillen, Katie Mitchell, Amanda Larson, Brittany Goben, Ashley Abrantes, Meridyth Espindola, Sarah Allaire, and Katie Perry led the team. Monica Gonsalves played great in net once again this season, and the team got consistent scoring from Larson and MacMillen. The Devils were hot going into the tournament but were cooled off as they lost a nail-biter in the first round. Monica Gonsalves' great play and hard work earned her a Standard Times Super Team selection.

Cross Country- The FHS cross country teams went through a rebuilding year. Both teams finished the season 0-7 but received quality running and leadership from seniors Chris DeBiasio, Jeff DesRoches, Gabby Normandeau, and Liz Morris.

Volleyball- The girls volleyball team surprised some people with their play this year after losing key seniors from their 2007-08 undefeated season. The Lady Devils got solid play from seniors Sam Olsen, Amanda Camara, and Katie Olsen. Sam Olsen led the team in digs and was a member of the Standard Times Super Team. Freshman Kara Charette, Kayli Moniz, and Gia Doonan stepped up big as well to lend a helping hand. Although they didn't make the tournament this year, the team looks good for the future.

Golf- Paul Fernandes finished his golf career at FHS with five solid seniors in his line up. Seniors Keane Costa, Billy Ashworth, James Lopes, Andrea Manzone, and Ben Chadwick led the group. Fernandes also had solid performances from juniors Brendan Rossi, Bradford Carvalho and sophomores Christian Costa and Sean McLaughlin.

Winter Sports

Spring Sports

Boys Basketball- The FHS boys basketball team completed one of its best seasons in school history. The team started off the year at 11-0 and was hitting on all cylinders. With an impressive win in front of a sold-out gym at Wareham, the FHS boys took sole possession of first place in the SCC. Unfortunately, they felt the agony of defeat a few games later with a 39-38 loss at the hands of Old Rochester. The team then added one more loss against Dighton Rehoboth along with two more wins and stood at 13-2 for the season. The Devils were led by seniors Ian Andrade, Brady Murphy, Bryan Sweeney, Marcus Barros, and juniors Taylor Motta and Myles Perron-Sovik. The Devils ended their regular season in a 57-56 loss to Canton. They entered the state tournament with a 15-5 record overall and the #7 seed. After defeating Norwell in first round action, the Blue Devils advanced to the quarterfinals where they played 2nd seeded Abington at Bridgewater-Raynham. The Devils' tournament run ended there with a 42-39 loss and an overall record of 16 and 6. Andrade was nominated for the Dave Cowens Award, for the best player in the area.

Girls Basketball- The girls went through a rebuilding year this season. They had a new coach and a freshman-heavy varsity team, two of which were starters. Freshmen Kara Charette and Kelsey Perron-Sovik were first and second on the team in points. Charette averaged 15.8 ppg, the 5th best in the area, and Perron-Sovik ended at 11 ppg, respectively. The senior leadership came from Hannah Hennessy, Ashleigh Duarte, and Melissa Pereira. The Lady Devils finished the season at 8-8 in the SCC and 9-11 overall. They fell just short of qualifying for the state tournament.

Winter Track-The state track meet was held at Reggie Louis Field House on Jan. 31. Six FHS students qualified for the meet including Eric Stroud, Allysha Silva, DJ Corey, Julia DeNardis, Kyle Fertig, and Emma Riley. Some athletes had a little trouble at this meet, starting with Fertig. Fertig got a concussion on Jan. 25 and was not cleared to compete in the 300 m., high jump, and the 50 m. dash. Stroud made it all the way to the starting line of the 50 m. dash and was disqualified due to a false start. Silva also had a hard time with her race since she missed the check-ins due to the noise at the meet. Even though the FHS athletes had some trouble, they did well at the meet overall. Silva earned Standard Times Player of the Week honors for the week of Feb. 13.

Hockey-The ORR/Fairhaven hockey team made the MIAA state tournament for the 4th consecutive year. With 13 wins, 7 losses, and 2 ties for the season, the team was looking to make a deep run in the playoffs. Offensively, they received key contributions from captain Chris DiBiasio and sophomores Ray Lawton and Sean Allaire. On the defensive end, they were led by senior Wade Allaire. The team qualified for the state tournament with the 5th seed. The Devil-Dogs defeated Medfield, 6 to 5, in the first round and lost to Pembroke in the next round.

Spring Preview

In their second varsity season, the boys and girls lacrosse teams will face a tougher schedule this year. The boys have a new head coach. Both teams had to raise money to play this season. The baseball team is looking forward to getting further in their post season with some key returnees. The softball girls are looking to make tourney action with some new blood this year. The spring track teams are looking to continue their individual successes. Hopefully the Fairhaven Tennis Association's impact on the FHS teams will help ace the spring season.

A Year In The life

Headline News

Housing Crisis

The housing market hit crisis status in 2008. With the rise in unemployment, one in 10 homeowners was at least one payment behind on their mortgage or in foreclosure. Nationwide, median home prices fell more than 11 percent to \$183,000—the largest year-over-year drop on record since 1968.

Billion-dollar Bailout

The U.S. Senate sparked intense debate when it approved a \$700 billion plan to rescue Wall Street. The bailout came in response to months of retail sales decline, home foreclosures and record drops in the stock market (dropping 777 points on September 29). Worldwide \$30.1 trillion of global stock market value was lost.

Americans Ditch Cars

With a recession in full swing and commuters concerned about record gas prices, drivers traded their cars for bikes. The Federal Highway Administration reported that Americans drove 9.6 billion fewer miles over the previous year. With consumers buying fewer cars, the big three American automakers felt the pinch. Seeking relief, they asked for and received a \$13.4 billion piece of the federal bailout originally intended for Wall Street.

Hurricane Ike Hits Texas

Thousands of residents evacuated coastal and inland areas

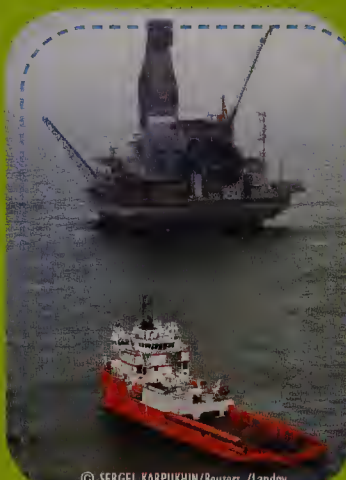

of Texas in preparation for Hurricane Ike, which turned out to be the third most destructive hurricane ever to hit the U.S. The early evacuation efforts (put in place after Hurricane Katrina) undoubtedly saved thousands of lives.

Cleared for Takeoff

It's official—Delta bought Northwest Airlines for \$3.1 billion, creating the world's largest airline. The combined new airline now serves more than 390 destinations in 67 countries. It is expected to generate about \$35 billion in yearly revenue and employ 75,000 people.

Energy Independence

The U.S. Congress agreed with President Bush's decision to lift the almost 20-year ban on offshore drilling operations. The high price of crude oil as well as the strategic importance of energy independence led to the decision.

U.S. Troops

After more than five years of war, plans to reduce the presence of U.S. troops in Iraq were moved forward. A new agreement between U.S. and Iraqi officials was ratified, outlining the withdrawal of U.S. troops by 2011. At the same time, in Afghanistan there were 31,000 U.S. troops, and that number is expected to double in 2009.

Winning against Cancer

New diagnoses and deaths from cancer both fell for the first time in the U.S. according to the National Cancer Institute's 2008 report. The overall death rates fell for the most common cancers, dropping .08 percent annually from 1999 to 2005 for both men and women. While overall cancer rates decreased, lung cancer remains a concern in the Midwest and the South. Both areas have yet to adopt anti-smoking laws that ban smoking in public places or to increase taxes on cigarettes.

Crisis in Gaza

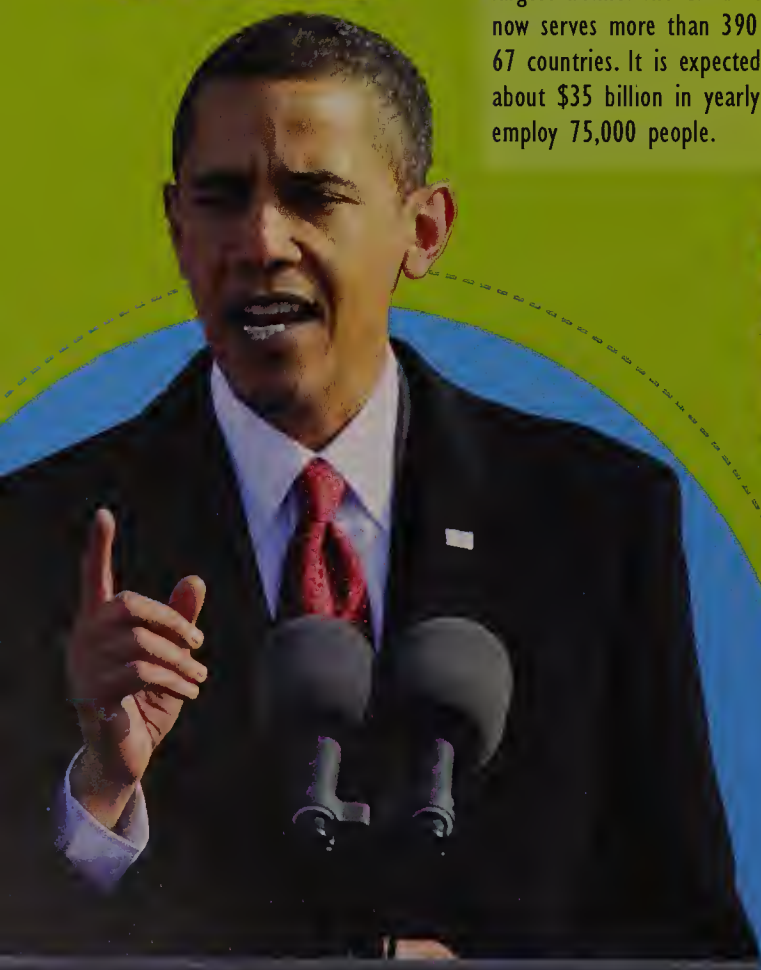

The long-standing conflict in Gaza rose to war when hundreds of civilians lost their lives and thousands were injured in airstrikes and mortar shell attacks waged separately by the Israeli military and Hamas militant groups. Hamas is listed as a terrorist organization by the U.S. and many other Western nations. In January 2009, Israel withdrew its troops

and the Hamas groups declared a cease-fire, ending the three-week war; however tensions between the two sides remain high.

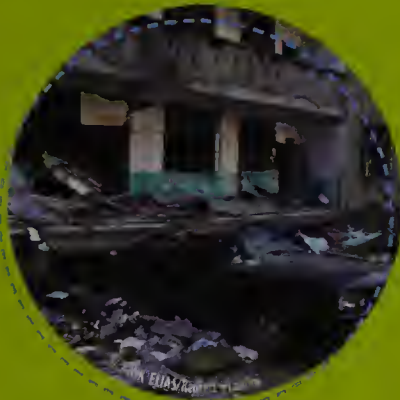

Obama Elected 44th President

In a historic moment, 47-year-old Barack Obama, a freshman senator from Illinois, became America's first African-American president. In addition to shattering 200 years of history, he became the fifth youngest president ever when he was sworn in to office on January 20, 2009. In his inauguration speech, President Obama delivered a message of bipartisan hope and expectation to a crowd of over one million people in Washington D.C. and to millions more via television and the Internet.

ase Fire

Following a short yet destabilizing conflict, the governments of Georgia and Russia signed a U.S. brokered cease-fire, which required all Russian troops to withdraw to their pre-invasion positions. The invasion was in response to Georgian suppression of Russian supported separatist rebels in the breakaway region of South Ossetia.

Earthquake Rocks China

A 7.9 magnitude earthquake rocked southwest China leaving 4.8 million people homeless. More than 60,000 people were injured while over 20,000 people lost their lives. To help rebuild the livelihoods, schools and basic services the area needs, several United Nations agencies have set up continuing operations in China.

prepared for Landing

In January 2009, US Airways' Pilot C.B. "Sully" Sullenberger prepared for impact less than 90 seconds after taking off from LaGuardia International Airport in New York, as eight 1549's engines went out after hitting a flock of birds. The pilot decided the safest place to land was in the icy waters of the Hudson River. Pilot Sullenberger's skill and quick response saved the lives of all 155 passengers.

Adventurer to the End

Almost 13 months after adventurer Steve Fossett disappeared in a single-engine plane over Nevada and a year to the day since the search was called off, hikers found his airplane and remains in the Sierra Nevada Mountains. Fossett holds many world records including being the first person to fly solo nonstop around the world in a hot air balloon.

Mumbai Targeted

Over three days in November, India's city of Mumbai was attacked by terrorists, allegedly backed by a Pakistani-based Islamic militant group. Over 160 people lost their lives in the planned attack which targeted India's financial center.

Goodnight Nighthawk

After three decades of exemplary service as the first aircraft in history to successfully make use of stealth technology, the F-117 Nighthawk was retired at a private military ceremony. The "Stealth" gained notoriety through now famous camera footage of its precision performance in Desert Storm in the early 1990s.

Myanmar Devastation

A massive cyclone hit the small country of Myanmar in May 2008, tallying an eventual death toll of over 100,000 people. The military government of Myanmar initially refused foreign aid and asserted that it could handle all relief and rescue efforts. According to International Red Cross reports, the lack of immediate international support most likely cost thousands of lives.

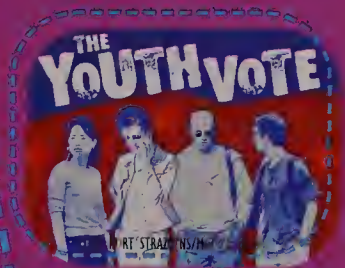

An Election to Remember

The nation witnessed several history-making events during the 2008 presidential election.

Alaskan Governor **Sarah Palin** became the first female Vice Presidential candidate for the Republican Party.

New York Senator **Hillary Clinton** made a run at America's number one seat as a candidate in the Democratic primary. After withdrawing from the race, Clinton went on to accept the role of Secretary of State in President Obama's administration.

Voters turned out in record numbers with over 133 million Americans showing up at the polls. Social networking websites like YouTube, MySpace and Facebook played a major role in yielding the highest turnout in 40 years.

President Obama's inauguration was visible from space. Satellite images showed the record-breaking 1.8 million people gathered on the National Mall in Washington, D.C. to be a part of the historic event.

Headline News

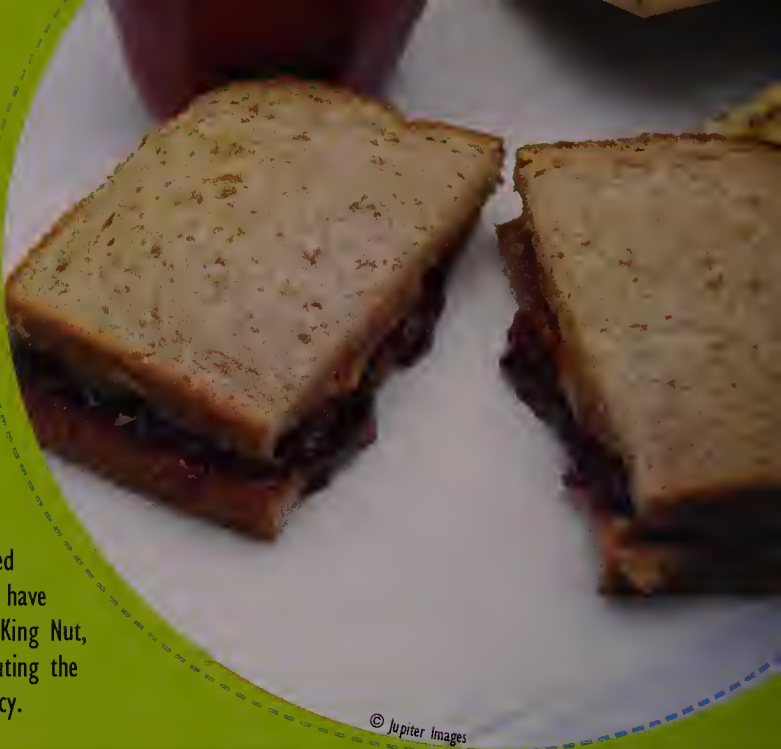

Kennedy Diagnosed with Cancer

Senator Edward "Ted" Kennedy was diagnosed with a malignant tumor after suffering a seizure. The tumor was located in the 76-year-old politician's left parietal lobe, near the top of his brain. Recommended treatment included a combination of radiation, chemotherapy and surgery to remove as much of the tumor as could be safely done without harming the senator.

Peanut Butter Recall

An outbreak of salmonella traced to tainted peanut butter products prompted President Obama to order a complete review of the U.S. Food and Drug Administration process. The contaminated products sickened 529 people in 43 states and may have led to the deaths of nine people. King Nut, the company charged with distributing the products filed Chapter 7 bankruptcy.

Ivory Legally for Sale

For the second time in nearly two decades, ivory was offered for sale legally. According to the watchdog group CITES, the United Nations-approved ivory sales will be followed by a resting period of nine years to safeguard elephant stocks. The group reported that the elephant population has increased in recent years and the animal is no longer threatened with extinction. The amount of ivory for sale was equal to the yield from 10,000 or more elephants.

Smart Ride

Washington rolled out America's first high-tech bike-sharing program this year. SmartBikes

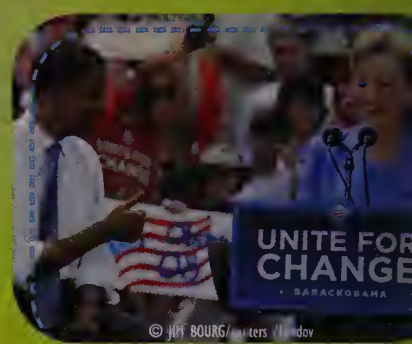

come with key-card locking systems and tracking devices to prevent theft. Denver and Minneapolis launched bike-sharing programs in the summer, with Chicago, San Francisco, Seattle, Portland, Oregon and Arlington, Virginia making plans for the near future.

Torch Relay Ignites Protest

Thousands of protesters turned out after the Olympic torch flame arrived in San Francisco, waving flags and signs with sayings like "No human rights, no Olympics." Protestors cited

China's actions on Tibet, its policies in Darfur and human rights violations against Chinese citizens. Around the world, similar protests delayed the torch's progress.

Clinton Endorses Obama

After 17 months of campaigning against him, Senator Hillary Clinton officially conceded victory to Barack Obama. Clinton repeatedly called on her supporters to unite behind her former opponent. Even though her campaign was not successful, Senator Clinton paved the way for a woman to win the White House in the future.

China Tackles Quake Lakes

In the aftermath of China's massive earthquake, as many as 35 "quake lakes" were formed, threatening to flood surrounding villages. In an attempt to drain the lakes, Chinese troops deployed tons of earth-moving equipment and explosives to clear debris and create a spillway to relieve water pressure. Just one of the so-called quake lakes held nearly 130 million cubic meters, equal to about 50,000 Olympic-size swimming pools.

Space Travel

Traveling to space is a childhood dream for many people and soon they could achieve it. Virgin Galactic, owned by billionaire Richard Branson, unveiled plans for their suborbital spaceliner. Test flights began in the summer of 2008. Tickets are being offered for an initial price of \$200,000.

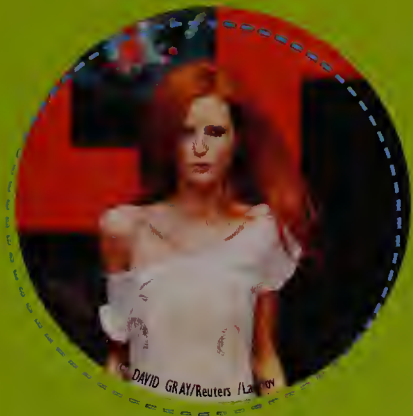

In the Doghouse

Killys, a 70-pound pit bull, went for a joy ride that started and ended at an Oklahoma car wash when he was left alone in a car and accidentally slipped it into reverse. After crossing the highway and hitting a curb, the car turned and circled back to the car wash. The dog couldn't quite reach the brakes and crashed into the side of the building. No one was injured and the police officer on the scene let the bewildered dog off with a warning.

Medal of Honor

Army Master Sgt. Woodrow "Woody" Keeble was awarded the Medal of Honor nearly 26 years after his death for his heroic efforts during the Korean War. Keeble was the first full-blooded Sioux Indian to receive the honor and the 10th person to receive the medal from President Bush. Keeble's family, fellow soldiers, tribal members and four U.S. senators lobbied for years to approve the nomination.

Extreme Thin Outlawed

French lawmakers presented a bill banning the glamorization of extreme thinness. The bill recommends fines of up to \$71,000 and three years in prison for people or businesses that promote extreme thinness. If the bill passes, the law would be the strongest of its kind anywhere in the world.

Hands On

The American Heart Association announced that the "hands on" CPR method works just as well as the mouth-to-mouth technique in most cases of cardiac arrest. The announcement will hopefully encourage hesitant bystanders to step forward to provide life-saving CPR in critical situations.

Fishy Business

Beth Nudelman quickly notified officials of their mistake when she received voter registration material for her deceased goldfish, Princess. The paperwork sent to "Princess Nudelman" likely came from the Women's Voices, Women Vote project, which sent nearly 1 million mailings to Illinois households using a list that mistakenly included pets.

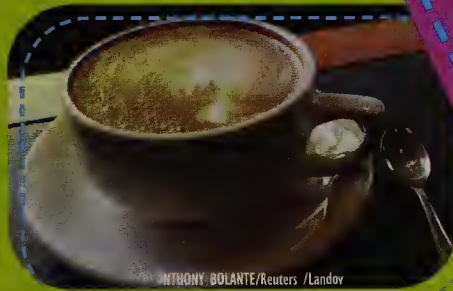

Smoking Genes

Scientists identified genetic variations that raise the risk of lung cancer in smokers. The research also revealed evidence to suggest that these variations could make carriers more addicted to tobacco.

Russian Blue Wins

A 1.5-year-old Russian Blue cat named Blade Runner won Best in Show at the CFA-Iams Cat Championship in New York. Over 248 cats in 41 breeds competed for various honors throughout the event. Blade Runner became the first Russian Blue to win the title.

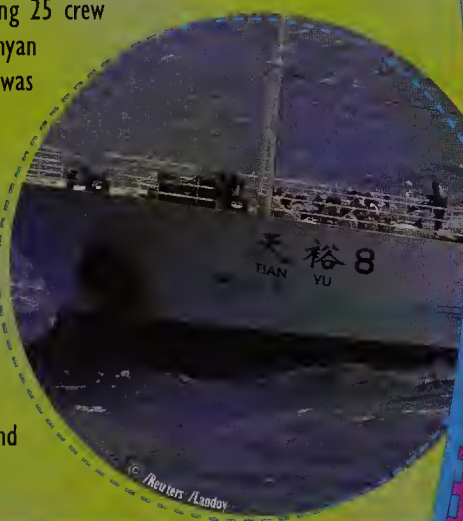

Warm the Heart

A recent study suggests that people view others more positively when they're holding something warm, like a cup of coffee or cocoa. The experimenters suggest that the connection between heat and emotion is a result of early associations in childhood.

Pirates Hijack Tankers

In the largest modern-day case of piracy on the high seas, pirates seized a massive Saudi-owned oil supertanker loaded with crude oil and carrying 25 crew members off the Kenyan coast. The hijacking was one of several attacks this year by Somali pirates seeking ransoms. After taking over the vessel, the pirates took it to a Somali port that has become a haven for bandits and seized ships.

Economic Ups & Downs

With the economy in turmoil, unemployment rose to 7.2 percent. More than 2.6 million jobs were lost in 2008, the highest number since World War II.

Starbucks, the reigning king of coffee, announced that it would close 600 stores. With increased competition from McDonald's and Americans making financial sacrifices, the coffee chain faced an uncertain future.

Despite economic instability, Google chose to keep employee perks, like ping pong and free lunches, as other companies slashed costs and benefits. Google maintains that their laid-back atmosphere leads to devoted and focused employees.

Teens Take Title

A high school team from Mater Dei High School in Evansville, Indiana beat out students from 23 universities to take the Shell Eco-marathon grand prize for designing, building and driving a vehicle that went the farthest distance using the least amount of fuel.

The three-wheeled combustion engine car achieved an amazing 2,843.4 miles per gallon. The students won \$10,000 for their invention.

Bird, Mammal or Reptile?

One of the most curious animals on the planet, the platypus, has a duck's bill, mammal fur and snake-like venom. Scientists mapped its genetic makeup, which indicates that this strange looking creature is, in fact, a little bit of all three—bird, mammal and reptile.

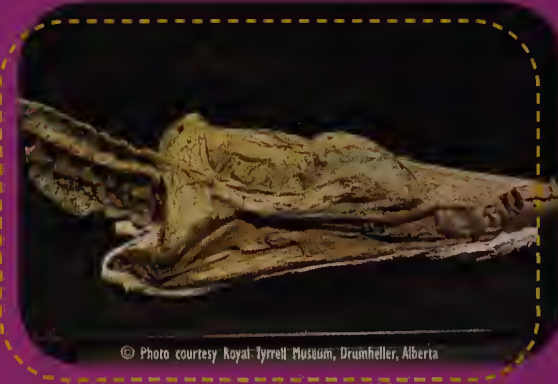

Earth Invades Mars

Usually we think of Martians invading Earth, but it looks like Earthlings will make the first. In May 2008, NASA's Phoenix Lander arrived on Mars and for the first time discovered ice on the Red Planet.

Trash to Gas

The high price of gas in 2008 put a spotlight on the study of alternative fuel sources. In America, at the University of California at Davis, engineers repurposed table scraps into bio-gas. In similar studies in the United Kingdom and Japan, jellyfish, spoiled milk and confectionary waste were all given new life as alternative fuel sources.

Ancient Sea Creature Discovered

A new group of plesiosaurs, a reptile species that swam in ancient seas, was discovered in North America. The plesiosaurs roamed during the Jurassic and Cretaceous periods—about 65-205 million years ago. This find represents one of the oldest and most complete skeletons of a prehistoric aquatic reptile ever discovered in North America.

Shipwreck Treasure

Geologists searching for diamonds off the coast of Africa discovered a treasure far more rare—a shipwreck loaded with gold and silver coins, as well as ivory and cannons used to fend off pirates. The ship is thought to be around 500 years old, dating back to the time of Vasco de Gama and Christopher Columbus.

Run Green

Did you know that a running shoe can last 1,000 years in a landfill? Brooks® has designed a shoe that reduces your carbon footprint—literally. The shoe features a new kind of midsole called BioMoGo, which degrades 50 times faster than a standard running shoe. Brooks® estimates that its green footwear will reduce 30 million pounds of landfill waste over a 20-year period.

Farms of the Future

In the future, farms could rise straight into the air resembling skyscrapers instead of sprawling acres of land. "Vertical" farming presents many advantages over traditional farming, mainly growing more food on less land. Currently, it takes a plot of land as large as Virginia to grow enough food for approximately 8 million people.

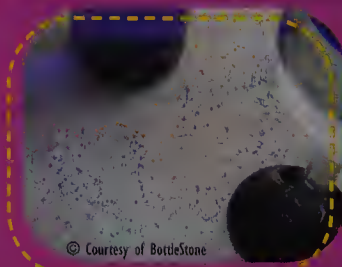

Sustainable Dave

Cameraman Dave Chameides embarked on a study to reduce waste. To showcase his effort he saved all of his trash one year—only 30.5 lbs. In comparison, the average family throws away 1,700 lbs. of trash annually. Chameides conducts seminars and writes a sustainability blog teaching that "no one can do everything, but everyone can do something."

Stone or Glass?

Add countertops to the list of eco-friendly products. BottleStone, a Los Altos Hills company that makes ceramic stone countertops out of recycled glass, walked away with the \$100,000 prize from the CleanTech Open, a contest showcasing the newest innovations in the world of sustainability. The company said that zero emissions are created in the production of the new surface material, yet the glass countertops are as strong as concrete and cost less than marble or granite.

Tejon Ranch Protected

Conservationists and developers in California reached a historic agreement that will permanently protect the Tejon Ranch, 240,000 acres of land just north of Los Angeles. The newly protected area provides a critical habitat to many wildlife species. The strong support for environmental conservation is a sign of the times and will guarantee public access for generations to come.

Running on Air

Zero Pollution Motors, together with automaker MDI, plans to produce an affordable, environmentally-friendly car powered by air. While it won't run like a sports car, it can reach speeds of 35 miles per hour for 60 miles on a tank of compressed air, a sufficient distance for 80 percent of consumers to commute to work and run errands. On highways, it can cruise at interstate speeds for 800 miles with a small motor that compresses outside air to keep the tank fueled. Vehicle sales are slated for 2011.

Quarter-Sized Slither

A U.S. scientist discovered the world's tiniest species of snake, measuring only four inches long, on the island of Barbados in the Caribbean. Out of 3,100 known snake species, the newly named motaxa snake is so small it can curl up to the size of a quarter.

Super Earth Planets Discovered

Astronomers discovered 45 "super Earth" planets, indicating that one-third of all stars have a solar system in orbit with planets similar to Earth in size. Don't hold out for tiny green men, these planets orbit close to their stars (measuring mean temperatures of 354 degrees Fahrenheit) and cannot harbor life.

Colossal Carats

A potentially record-breaking diamond, totalling 478 carats, was found in the small southern African country of Lesotho. Although not the largest diamond found to date, this particular stone is valued for having the highest possible color rating for a white diamond and its potential to produce a polished stone of over 100 carats—now that's a rock!

Musive White Whale Spotted

A rare sighting of a white killer whale had biologists running for their cameras. The scientific team on board the Oscar Dyson spotted the nearly mythical creature off of Alaska's Aleutian Islands. According to the research biologist who snapped a photo of the animal's back and fin, it was the equivalent to finding a "needle in a haystack."

Solar Wind Source Found

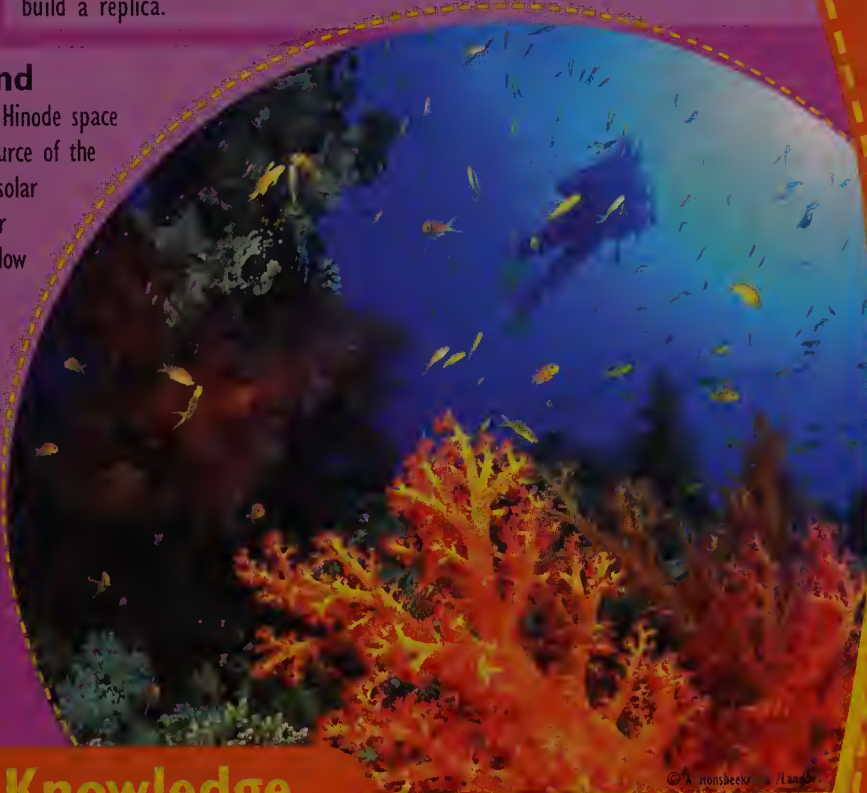

With the help of images shot from the Hinode space observatory, scientists pinpointed the source of the stream of particles that make up slow solar wind. Astronomers knew where fast solar wind originated but knew little about slow solar wind. Now scientists know that it comes from the region above the Sun's equator allowing them to better understand the dynamics of space weather and solar storms.

Under the Sea

A marine survey revealed thousands of discoveries from beneath the surface of the sea, including a city of starfish and a carpet of sponges. The Census of Marine Life is part of a worldwide project to understand life under the sea. The census is expected to reveal important information about 230,000 known marine species and possibly identify more than 5,500 new species.

Walk This Way

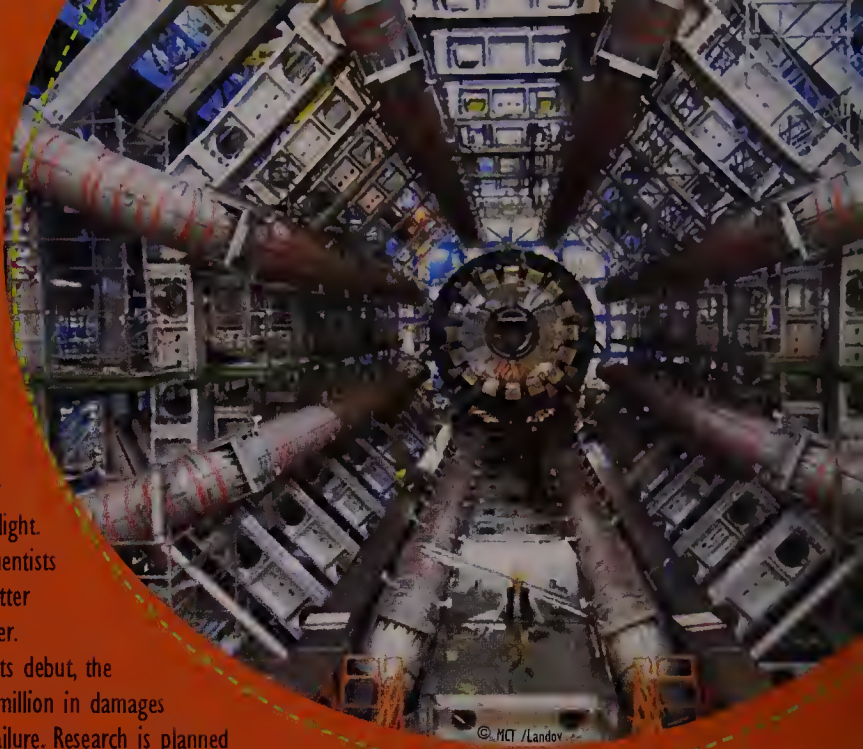

Discovering new ways to generate energy is a top priority. Kinesiologist Max Donelan from Simon Fraser University invented a device that harvests energy from the simple and routine act of walking. The 3.5 lbs. device wraps around each knee generating five watts of power—enough to charge 10 cell phones.

Large Hadron Collider

Scientists at the European Organization for Nuclear Research developed the Large Hadron Collider (LHC) that smashes atom protons together at 99.9999% of the speed of light. The \$9 billion device allows scientists to test physics theories and better understand the nature of matter. Unfortunately, nine days after its debut, the "atom smasher" suffered \$21 million in damages as the result of an electrical failure. Research is planned to resume after the repairs are completed.

Floating Ads

Created by a company called Flogo, these new floating advertisements can take the shape of anything you want—from simple messages to images of superheroes. The "clouds" are made by combining soap-based foams with lightweight gases such as helium. The company uses repurposed artificial snow machines to create the floating ads which last 30-40 minutes on average and don't pollute the environment.

The Auto Age

One-hundred years ago the Ford Model T was introduced. In the years to follow, vehicle technology and innovation continued to evolve.

The Model T changed the face of transportation when Henry Ford began using the conveyor belt for production, making cars affordable for the masses. Following in its footsteps came the "family utility" vehicles, the station wagon (1947), mini van (1983) and SUV (1990), accommodating the growing needs of busy families.

The Scoreboard

Steel-ing the Win

The Pittsburgh Steelers won a record-setting sixth Super Bowl title by defeating the Arizona Cardinals. A game-winning touchdown in the final seconds moved the score to 27-23, giving the Steelers a tension packed last-minute win. Steelers' wide receiver Santonio Holmes was named MVP.

Double-Dutch

Double-dutch is now an officially recognized sport in New York City high schools. A year after cricket was inducted as a varsity sport, school administrators have added double-dutch as a way to increase student participation in competitive sports. Cycling, badminton and netball are also being considered.

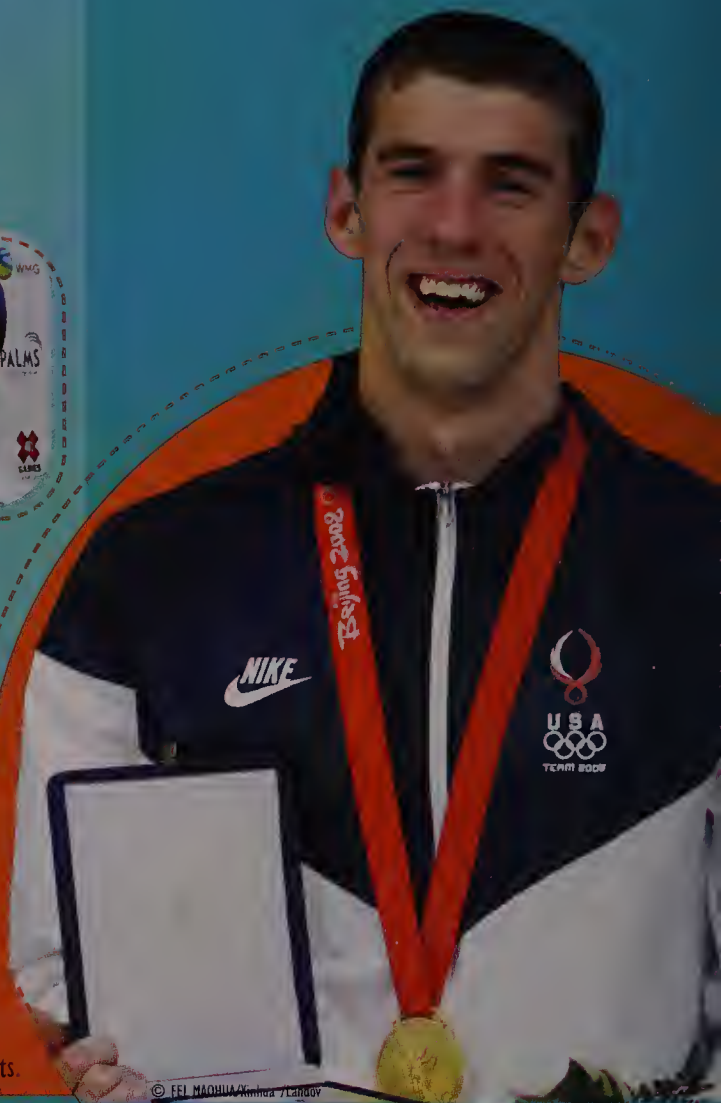

Striking Gold at the X Games

Ryan Sheckler, the X Games' youngest street skateboarding gold medalist at age 13 in 2003, struck gold again at the 2008 Games. Female skateboard champ, Elissa Steamer, returned to claim her fourth gold medal.

Eight is Great

Michael Phelps was the shining star of the 2008 Beijing Olympics, winning eight gold medals, breaking Mark Spitz's record for most gold medals won in a single Olympic Games. Phelps swam 17 times over nine days and broke the world record in four of his five individual swims. His three relay teams also set world records. Phelps' achievements led to *Sports Illustrated* naming him 2008 Sportsman of the Year plus numerous endorsements.

Serena's Comeback

A backhand shot signaled tennis star Serena Williams' return to glory. With her 6-4, 7-5 victory over Jelena Jankovic at the US Open, Williams regained the No. 1 world ranking, a title she last held in 2003. The gap between achieving No. 1 world rankings is the longest in history for a woman or a man.

Racing Victories

2008 was a year of surprises in car racing, especially for Danica Patrick and Jimmie Johnson. Patrick was in the spotlight, becoming the first woman ever to win an Indy Car race. Johnson won his third straight NASCAR Sprint title, making him one of two drivers in NASCAR history to win three championships in a row in the marquee series. With his win, Johnson tied Cale Yarborough's 30-year record.

Celtics Win 17th NBA Title

The Boston Celtics won their first NBA title in 22 years. In Game 6 of the playoffs they won with a 131-92 blowout over the Los Angeles Lakers. The win was also the first for the "Big Three," Paul Pierce, Kevin Garnett and Ray Allen.

Silver Stars Shock-ed

The Detroit Shock swept a three game series over the San Antonio Silver Stars to win their third WNBA title. Katie Smith, Detroit's leading scorer in all three games, was named Finals MVP.

Immelman Grabs Green

Trevor Immelman overcame Tiger Woods and Phil Mickelson with a score of 75 in the final round to win the coveted green jacket at the Masters in Augusta, Georgia. Vijay Singh was the season's overall winner scoring the most points and claiming the FedEx Cup and its \$10 million prize.

Win for Shin

Twenty-year-old Ji-Yai Shin of South Korea became the first non-LPGA member to win three LPGA events with her win at the ADT Championship, marking her 11th worldwide victory in 2008. The event was bittersweet for women's golf legend Annika Sorenstam who failed to make the cut in her last official LPGA tournament before retirement.

Tiger Tamed

After winning the U.S. Open, golf legend Tiger Woods announced that he had been playing with a leg injury. Despite his injury, Tiger played 91 holes, defeating Rocco Mediate on the 19th hole of the playoff. Woods chose to end his season early to treat his injury. The famous golfer has 65 victories; ranking third of all-time on the PGA Tour with 14 professional majors, making him second only to the record 18 won by Jack Nicklaus.

Hole-in-One Times Five!

Amateur golfer Curt Hocker of central Illinois hit five hole-in-ones in one week at the El Paso Golf Club. The 22-year-old, who works in the club's pro shop, has recorded seven aces (five on par-4s) and two other double eagles in the past year. Hocker, along with his friends and family who witnessed his strokes of luck, is mystified by the repeat performances.

Kickin'!

The U.S. Women's Soccer National Team captured the Algarve Cup once again, defeating Denmark 2-1 at Municipal Stadium in Portugal. The team went on to win the 2008 Peace Queen Cup with a 1-0 victory over Canada. The victory marked the second time the U.S. has defeated Canada by a 1-0 score to win the Peace Queen Cup.

MLS Cup Glory

For the first time in franchise history, the Columbus Crew became Major League Men's Soccer champions with a 1-1 win over the New York Red Bulls. League MVP Guillermo Barros Schelotto scored a Cup Final-record three assists to help deliver the championship in his second season.

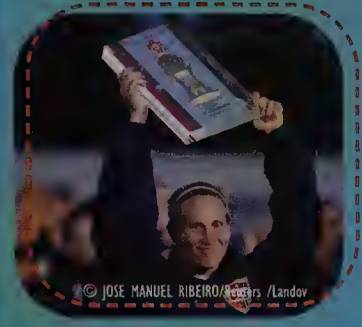

Run for the Roses

Big Brown won the 134th running of the Kentucky Derby in a final kick that gave him a 4 3/4-length victory before a crowd of 157,770, the second-largest in history. With this win Big Brown became the seventh undefeated Kentucky Derby winner in history. The victory celebration was eclipsed by a fatal injury to Eight Belles, the second place winner.

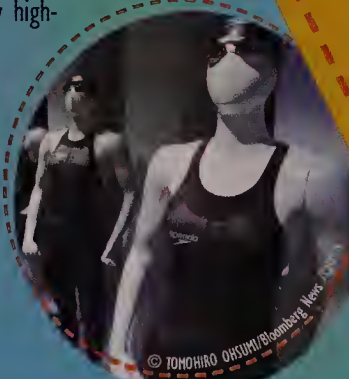

Wimbledon Winner

The 122nd Wimbledon Championship concluded with a grand finale, when Spain's Rafael Nadal brought down five-time champion Roger Federer in the longest men's final in the history of the All England Club. Nadal's victory took four hours and 48 minutes of actual playing time.

Science of Swimming

Speedo's LZR Racer, a new high-tech one-piece swimsuit, molds a swimmer's body into an aerodynamic shape, potentially giving swimmers more buoyancy in the water. Several swimmers, including Michael Phelps, debuted the suits at the 2008 Summer Olympics.

Olympic Moments

In August, 204 countries participated in the Summer Olympic Games in Beijing, China and captured the attention of a global audience.

Opening Ceremony - At promptly 8 p.m. on the eighth day of the eighth month of 2008 (eight is considered one of the luckiest numbers in China) millions of people around the world watched the opening ceremony. The extravaganza was a mix of music, artistry and fireworks showcasing China's national pride and 5,000 years of tradition. The \$300 million event with a cast of 14,000 raised the bar for future Olympics.

Fabulous over 40

Dara Torres, 41, surprised everyone when she returned to her fifth Olympic Games with teammates nearly half her age. Torres won the silver medal in the 50 meter freestyle sprint final, swimming a personal best of 24.07 seconds, but missing the gold by just .01 seconds.

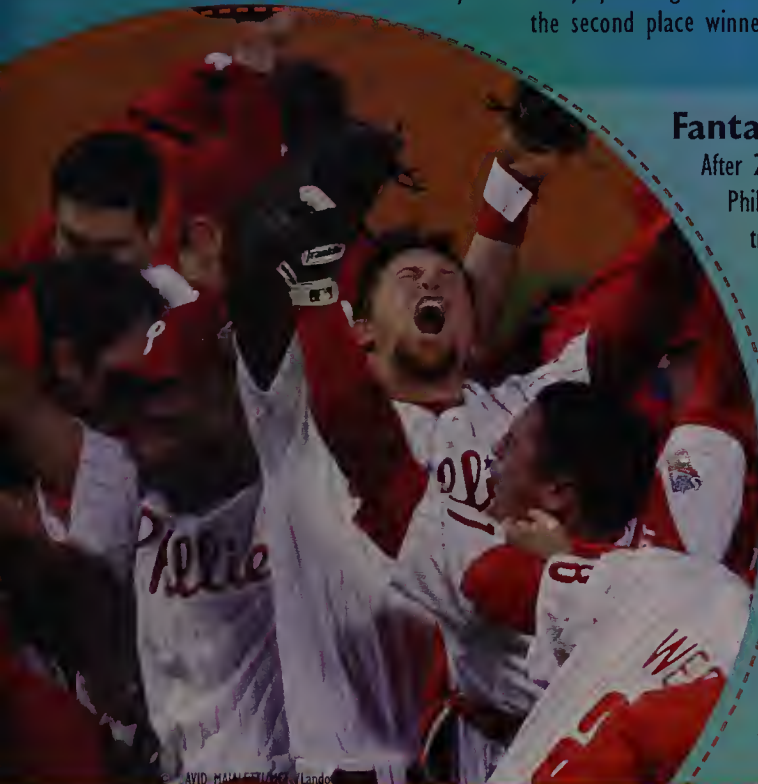

Fantastic Phillies

After 25 years, the Philadelphia Phillies won the World Series trophy. Despite a rain-delayed game, they took down the Tampa Bay Rays 4-3 in Game 5 to win their second World Series title. The team named Cole Hamels MVP. Hamels out pitched Scott Kazmir for a 3-2 win in the opener, then tossed six effective innings before the delay, but never pitched in the final game. Hamels finished 1-0 with a 2.77 ERA in two World Series starts.

Red Wings Capture Cup

After a surprising loss in Game 5, the Detroit Red Wings made a triumphant comeback in Game 6 of the 2008 Stanley Cup Finals, winning 3-2 against the Pittsburgh Penguins. The Stanley Cup win was the fourth for the team in 11 seasons.

Fabulous Fashion Finale

After a season filled with drama and over-the-top fashion, soft-spoken Portland, Oregon designer Leanne Marshall was named the winner of Bravo's hit reality show *Project Runway* hosted by supermodel Heidi Klum. Marshall beat out contestants Korto Momolu and Kenley Collins to win the \$100,000 grand prize to start her own line and the opportunity to sell her collection on Bluefly.com. The series finale was the first time in the history of the show to feature an all-female lineup.

Tina Fey Impersonates Sarah Palin

Actor and comedian Tina Fey returned to *Saturday Night Live* to portray Republican vice presidential candidate Sarah Palin. In the skit, Fey debated Amy Poehler, who played Senator Hillary Clinton. Fey's depiction of the Alaska governor generated so much attention that the real Sarah Palin appeared twice on the show.

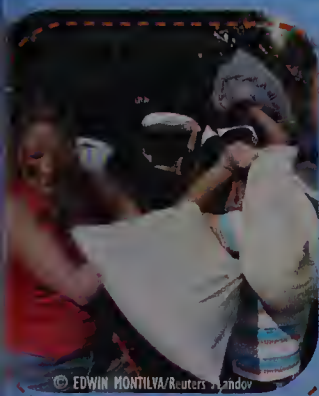

Facebook safeguards

ocial networking site Facebook added more than 40 safeguards to protect its users from cyber bullies and online predators. Precautions included banning sex offenders and limiting adult-user access to profiles of users under 18 years old.

Feathers Fly!

The first World Pillow Fight Day brought thousands of people together turning 35 cities into playgrounds. The event's intent was to promote creative uses of public spaces and the power of a shared common goal. Plus, it was a lot of fun!

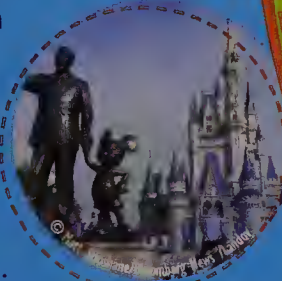

Lights Out for TRL

MTV's famed countdown show, *Total Request Live (TRL)*, aired its final episode in New York City. The show debuted in 1998 and boosted the careers of superstars like Justin Timberlake, Christina Aguilera and Destiny's Child. Beyoncé gave a show-stopping performance during the show's finale.

Vacation Idol

A Toy for the Imagination

Despite all the fancy high-tech toys available, nature's own stick was inducted into the National Toy Hall of Fame this year. Toy experts selected the stick because of its versatility, natural ingredients, appeal to the imagination and it's free. More traditional inductees this year included the baby doll and skateboard.

Say Papaya

As if ice cream wasn't good enough, scientists are working on a way to make your favorite flavor extra velvety smooth. Using gelatin and papaya protein, a University of Wisconsin researcher developed an "edible antifreeze" that prevents ice crystals from forming in ice cream, so that it stays creamy and smooth with every bite.

Get Smart ... Feed the Hungry

Sixth-graders in Indiana have no shortage of motivation to learn new words. When students play a vocabulary game at FreeRice.com, 20 grains of rice are donated to the World Food Programme for each correct answer. Eight thousand miles away, students at Palwong Elementary in northern Uganda receive a nutritious lunch. The game has generated 28 billion grains of rice ... that's enough food to feed more than 1 million people for one day.
